Dear Ms. Liebman Brill,

I want to thank you. I am so grateful for your recent contribution of \$2,500.00 to Calvary Women's Services as a sponsor of the 16th Annual Hope Awards Dinner. This event honors local heroes who bring hope to our community. Likewise, gifts like yours bring hope to the women at Calvary's programs.

Your sponsorship helps support a complete set of programs that enable women to address the reasons they became homeless and make lasting changes in their lives. That means critical support like mental health services, addiction recovery groups, health and education programs, a financial literacy and savings program, and one-on-one support from a case manager to help women plan and achieve their own goals.

But more importantly, you're not only supporting programs – you're supporting people. Your gift provides meaningful opportunities to women who are working hard to change their own lives for the better. With the help of your investment, women can overcome their personal challenges, develop new skills and positive relationships, and move from homelessness to independent living.

On behalf of everyone at our programs – residents, volunteers, staff, and Board of Directors – thank you for your commitment to women who are homeless in our community.

Sincerely,

Kristine K. Thompson  
Executive Director
