CREW NATIONAL CAPITAL COMMITTEE

Bylaws Section 10.3 Other Committees

The Board of Directors, by resolutions adopted by a majority vote of its Members, may add or delete such committees as it shall deem advisable and with such limited authority as the Board of Directors may prescribe.

HISTORY – 2006 TO DATE:

- After the CREW Metro Task force successfully examined all the details of our three chapters, and after we polled our members and boards – it was decided that the best way to advance the success of women in commercial real estate through CREW is to have our three chapters coordinate certain activities through a new committee.
- The committee is to be called the CREW National Capital Committee.
- The committee initially (2006-2008) was made up of the Presidents, Presidents-Elect, and Past Presidents of each chapter (Maryland Suburban, Northern Virginia, and Washington DC). For DC, those will be the President-Elect and Director of Special Events/CNCC. Other board members or CREW members may participate as needed or desired.

THE COMMITTEE'S PURPOSE

DC, MD and VA CREW chapters will work together to increase the visibility of our individual chapters and members, and raise the profile of CREW in the National Capital area. This will increase the real and perceived value of CREW for our members, sponsors, and in the industry at large. All this is being done to advance the success of women in commercial real estate.
